

Airport Collection Instructions (Domestic Terminal)

All of our airport work is carried out in association with **Aeroparks Ltd** and they operate from a base approximately 3 minutes drive from the airport. We will deliver your vehicle to them and they will give it to you on our behalf.

It is vital that you read these instructions and ask us before your arrival in Auckland if you have any questions.

If you are arriving at the **Domestic Terminal** (Air NZ) once you are ready for collection call **0508 474 258** and press option **2**. You can call from any mobile or from the free phone located at the help desk. Then exit the building and in the middle of the car park area in front of you is an area sectioned off by concrete barriers, this is where all the shuttles are look for the one that says **Aeroparks** jump aboard and they will take you back to their base to give you the vehicle on our behalf.

If you are arriving at the **Jetstar/Qantas Terminal** once you have your bags and are ready for collection call **0508 474 258** and press option **3** exit the building and **Aeroparks** will pick you up from outside the door, take you back to their base and give you the vehicle on our behalf. **Please note from 23/02/2013 until further notice due to road works at the Airport all shuttles are currently unable to access the car park area and you will need to proceed to the Air NZ terminal for your shuttle where you can collect it from the designated shuttle area between the concrete barriers.**

Let us know if you have any questions or need a point clarified.

If you do not phone them for pick up they will not know you are waiting!!!

If you appear to have been longer than 10 minutes you can call the office direct on
